The Badgerland Striders is Wisconsin's largest running club. With about 1,600 members, the club's purpose is to serve the needs of all runners, from the jogger to the competitor. We accomplish this through a monthly newsletter, monthly meetings, educational speakers and training programs. We also sponsor or provide assistance to numerous formal races and informal group runs throughout the year.

Whether you are a novice or a seasoned runner, the Badgerland Striders offers something for you. Membership in the club brings you a free copy of our annual Race Book, store discounts and our topnotch monthly newsletter containing information about club sponsored events, schedules of upcoming races, results of past events, and other features of interest to runners. You'll also get a chance to hobnob with nationally recognized athletes, go on morning runs and then out to breakfast with locally notorious runners, and generally meet a great group of folk.

For more information, call us at (414) 476-RACE or visit our web site at www.badgerlandstriders.org.

Here's an explanation of the four times reported in the marathon race results:

Gun time is the time from when the gun went off to when you crossed the finish line. It is the "official" race time.

Net time is the time from when your foot crossed the starting line to when your foot crossed the finish line.

13.1 M is the time from when your foot crossed the starting line to when you passed the 1/2 marathon point.

20 M is your time from when your foot crossed the starting line to when you passed the 20 mile point.

If no time is shown for 13.1 M or 20 M splits, it simply means the chip system did not register your chip (for whatever reason) at these points.
