

# 2012 Lakefront Marathon Runner Parking

**FREE runner parking** will be at the Italian Conference Center 631 East Chicago Street - the entrance to the lot is off of Jackson Street. If you are arriving via the freeway, take the Jackson/Van Buren exit off of I-794. If you are arriving via city streets, please do not use Harbor Drive as that will affect bus routing.

This lot holds more than 1000 vehicles - please park there and not on the neighboring streets. Bus loading to the start (5:15-6:15) will be on Chicago Street in front of the ICC.

Shuttle service will be provided after the race for those who cannot walk the .75 mile from the finish area.

Spectator parking is available (for an \$8 fee) in the O'Donnell Park structure on the NW corner of Michigan Street and Lincoln Memorial Drive. Spectators may use the ICC lot but there will be no shuttle service TO the finish area for them.

**Neither spectators or runners are permitted to park in the War Memorial lot directly west of the finish - really.**
