

Important Changes in Shuttle to Start & Route to ICC Parking

Note the change in the walking route from the Finish Area to the ICC parking. We were notified 9/27 of a special event that will close the seawall adjacent to the Milwaukee Art Museum. The distance via this route is a little more than .75 mile. Shuttle service will be available from 10-2:30 from the Finish Area to the ICC.

This is an important reminder of the changes that we had to make to the location of the **Shuttle Bus loading to the start and to Runner parking near the finish**. Please read this and note the changes – it will save you time and stress on race morning. **There will be no parking at O'Donnell Park as it is closed due to structural issues or in the grass area off of Lagoon Drive – really, really. Also no parking at the War Memorial for runners OR spectators.**

The race will provide **free parking in the Italian Conference Center (ICC) parking lot** to runners taking the shuttle from the finish to the start on race morning. The ICC is located at 631 East Chicago Street. Access to the lot will be from Jackson Street and the Jackson Street Exit off of I-794 – exit at VanBuren/Jackson and go south on Jackson 3 blocks to the parking lot entrance.

Please follow directions of our parking volunteers as you enter and park as directed. That will make the entire process more efficient and will reduce congestion in this area.

Shuttle Buses will load on the drive directly in front of ICC from **5:45 to 6:45 AM**. Please follow the directions of the volunteers – please use the porta-potties provided – really...

If you will be dropped off to take the bus, please arrange to be dropped off on the corner of Chicago and Jackson.

A few other things... This parking is free to runners taking the shuttle to the start. Spectators can park here but will have to walk to the finish area. Spectators should park as noted in the private structures off of Michigan Street – for a fee. They can also park at the ICC but there will be **NO** shuttle service for them to the Finish Area.

Again... the War Memorial lot IS NOT available for runner or spectator parking – really. These changes do not affect the shuttle buses to the start from the Hyatt and Marriott.
